ANTIFOAM WBD

NU 345

Antifoam WBD is a silicone free product designed to control foaming in soft water areas. It is suitable for use in many applications including machine tool cutting fluids, paint spray booths, and detergent washing processes.

FEATURES

Excellent solubility
Universal Product
Stable product
Silicone Free
Concentrated Material

BENEFITS

Easily mixed with no clogging.
Wide range of uses so only one product needed.
Good storage life
Safe in paint application areas.
Economical in use.

APPLICATION

Antifoam WBD may be incorporated directly into solution with some agitation. Or pre mixed in a hand spray unit and sprayed directly on top of the foam, where its action will be instant.
