SPARSOL-3 SO 830

SPARSOL-3 Has been developed as an almost odourless degreasing solvent for hand wiping. Based on hydrocarbons, It is ideal for the efficient removal of stains, coatings, printing inks or deposits of oil, grease, and dirt. The product is of low toxicity, leaves no residues, and does not cause corrosion of metals. It is safe to use on most plastics or fibres, and dries fairly quickly.

Being C.F.C. Free, **SPARSOL-3** is environmentally friendly, non toxic and has negligible corrosive action. It can be used in mild steel equipment.

FEATURES

Based on low toxicity low aromatic materials.

Solvent based formulation

Liquid Product

BENEFITS

Mild odour pleasant to use

Removes oil, grease from components

Easily dispensed

DIRECTIONS FOR USE

Use as supplied, by non misting spray or cloth.

CHARACTERISTICS

Appearance

Odour
