## SILK SCREEN CLEANER

### SO 925

A concentrated blend of safe solvents formulated for use in sensitive areas within the engineering & printing industries and associated types of manufacturing. Will remove a range of inks, oils, glues and resin from non porous surfaces which would normally require a far more aggressive product.

- **Economical to use**
- **Water Compatible**
- **Easily and gently removes inks, oils and resin based materials**
- **Safe on most paintwork, metal surfaces, glass and rubber**
- **Universal application**
- **Non-petroleum solvent based – high flash point**
- **Non Caustic**
- **Biodegradable**
- **100% active**

## Application

**General Cleaning:** Use neat. Apply via brush, swab or spray. Then wipe clean with tissues or rag. Can be re-circulated with up to 9 parts of water in certain systems to remove dirt and oil etc.

**Heavy Duty Cleaning:** Soak components overnight and then rinse with detergent and water.

**Graffiti Removal:** May also be used neat on a cloth to remove felt tip pen, crayon, ink etc.

Available in 5, 25, 30, 205 & 1000 litre plastic containers
